This is a first level heading in HTML. With CSS, I will turn this into red color
This is a second level heading in HTML. With CSS, I will turn this into blue color
This is a third level heading in HTML. With CSS, I will turn this into green color
This is a paragraph As you can see, I placed an empahisis on the word "paragraph". Now, I will change also the background color of the word "paragraph" to black, and its text color to green, all with just CSS.
The main essence of this tutorial is to:
HTML
CSS
JavaScript
Next, I am going to add the following two numbers and display the result, all with JavaScript
First number:2
Second number: 7
Therefore, the sum of the two of those numbers is: (placeholder for the answer)
